About People And Things

He made his trip South a business one as well as one of pleasure, returning home by way of Atlanta, Nashville and other Southern cities, spending about ten days on the way.

BASKETBALL — The Kinston basketeers continue to march victoriously on in pursuit of a State championship. They defeated their last two opponents by overwhelming scores. However, their mettle is expected to be tested when they meet the Ozark quintet Friday night, January 11, on the Kinston court. Coach Larkins has been putting his boys through some strenuous workouts and he reports that most of the rough edges have been removed and they are "rarin'" to go.

OPTIMIST — Lander Cureton, Jake Bonneau and Miss Corinne Bonneau spent the week-end visiting at the home of Lander's mother at Greenville. Lander is one of the greatest optimists I have ever known. In fact, optimism and cheerfulness fairly radiate from his 212 pound, 6 ft.-2 mass of sinew and brawn.

WHAT MEANS IT?—Dr. W. C. Braswell is afraid that another great war may be brewing. He reports that he officiated last week at the birth of six boy babies and missed a seventh by only a few minutes because he was unable to arrive on the scene in time and another doctor had been called. Dr. Braswell says quite a number of girl babies are also being born, but boys are greatly in the majority.

STARTS RIGHT — Representative W. C. Braswell went to Montgomery Tuesday to get his bearings and know how to act as Coffee County's representative in the Alabama Legislature. Walter Whitman accompanied him for the purpose of introducing him around, so that Doc. would meet the "right" people. Walter says he did his full duty and got Doc. off to a good start and if he goes wrong later on it will be through no fault of his. Mr. Whitman says he heard Governor Miller's speech and was very highly impressed with it, and urges everybody to read it. He says he shook hands with and congratulated B. Meekus, explaining to him that although he had not voted for him, he was willing to admit that he could have done much worse. Representative Braswell and Mr. Whitman returned home Tuesday evening filled with optimism over what they saw and heard in Montgomery. Dr. Braswell will probably have time to minister to a few hundred cases of suffering humanity and bring a half dozen or so babies into the world between now and the time when he will return to Montgomery to look after the interests of Coffee County in what is expected to be one of the busiest sessions of the State Legislature held in many years. It is predicted that Dr. Braswell will prove to be a competent and efficient legislator and a large majority feel that the county's best interests are in safe hands.

WAS SICK — Since the Rose Bowl game, it has leaked out that "Dixie" Howell, the Hartford boy who electrified the whole football world with his phenomenal passing, running, punting and allround play, was violently ill the morning of the game. He must have been taking a little extra exercise during the game to get in shape for the hard grind that he knew was ahead of him as a student at the University. At least, he did fairly well for a sick man.

SURPRISE — Immediately following the regular monthly meeting, held at the Methodist Church Monday night, the male members of the Board of Stewards, accompanied by the pastor, the Rev. B. Guy Smith, went in a body to the R. V. Bryan home, where they surprised their former pastor, the Rev. L. W. Tubb, the occasion being his birthday anniversary. A pleasant hour was spent, the serving of sandwiches, coffee and cake being an enjoyable feature.

LETTER FROM MR. SPURLIN

January 7, 1935.

Dear Editor and Readers:—

The year 1934 is behind us and 1935 is beginning to unfold and I hope it makes us better men and women, though I have not made a single resolution. When I make them and they get in my way I break them, so I think it better not to make them than to make and break them. In doing this I commit two errors if I make the resolutions and break them; therefore, I think it best not to make them.

Am with Mr. Jack Hudson in the nortneast corner of Covington County. He lost his wife the 23rd of December, 1934. She was a cousin and a good friend of mine. But my loss will not compare with his. This was his second wife.

There seems to be lots of farmers without a farm yet.

I think the Bankhead cotton bill a good thing if it is modified so as to give the small farmers a more equal showing. I know a farmer that raised 286 pounds of lint cotton and received a certificate permitting him to sell 250 pounds, while others were allowed to sell 1,500 or 2,000 to the plow. A blind man ought to be able to see that is not fair. Because the little raiser has not been raising but little is not a just cause he should be so nearly deprived of any and give the big planters such an unfair advantage. The old saying that everything done is in favor of the big man seems to be nearly true.

People continue to advocate a law prohibiting children working. This may be best but about nine out of ten children that are reared in idleness never amount to much. Have heard it said that idleness is the devil's work shop and I believe it.

Respectfully,
LONNIE SPURLIN.

MISS KATHLEEN TALBOT TRANSFERRED TO LUVERNE—

Miss Kathleen Talbot, who has been connected with the Montgomery County relief committee since August, 1934, as a field worker in the county, has gone to Luverne to assume duties as director of relief for Crenshaw County. Miss Talbot, who formerly made her home in Troy and Elba, was a student in social service work at the University of Alabama the past Summer, studying under Miss Charlotte Leeper, former director of relief in Montgomery County.—Montgomery Advertiser.

Mr. and Mrs. Sam Rowe and family have returned from Pensacola, Fla., and are occupying the C. N. Smith residence property formerly occupied by Mr. and Mrs. C. B. McDowell. The latter have moved into the home of Mrs. W. B. Perdue. Mr. Rowe is again in the employ of Dorsey Bros., Inc.

Mr. and Mrs. Charlie Banks and daughter and Misses Metta and Emmie Banks have recently moved to Elba from Opp and are occupying the Cunningham residence on Davis Street recently vacated by Mr. and Mrs. J. C. Mays. Elba people give this family a cordial welcome to the city.

Mrs. W. B. Perdue, Dana and Marvin Perdue transacted business in New Brockton Monday afternoon.

Mr. George Morrow of Durant, Okla., is visiting his mother, Mrs. Clara Morrow, and brother, Marion Edwin Morrow.

Miss Annie Ruth Jacobs returned to her home in Montgomery Monday after a pleasant visit to relatives in Elba.

Mr. Gap Leibert and Miss Claudine Woolfolk of Marion, Ark., were guests of Mrs. Minola Leibert during the holidays.

Mr. and Mrs. Griel Tillman have taken an apartment in the home of the Misses Walker on Simmons Street, where they will reside in the future.

FARMER JONES AND HIS COW PEN

By JUDGE W. M. BRUNSON

A farmer should use all his time to an advantage if possible. There are more ways for a farmer to waste his time and more ways for him to use it than with any other class of people. If we are inclined to waste our time we can make a complete job of it and not realize what we are doing. On the other hand, we can utilize all our time and not realize that we are not even taking time to rest. A poor farmer should save every minute of his time and if he will do so and think as he goes along he will not be so poor very long. We are poor because we allow ourselves to be poor and not because we are destined to be poor. I'm speaking of the man who is in need. We all have hundreds of things around our farm which need attending to and which will cause us a loss if we do not attend to them. Yet, most of us will go to town a dozen times a week, to the country store two dozen times a week and prance up and down the roads the rest of the time doing nothing that is profitable to us. I sometimes think that the wives of most of us should make some rules as to how many times we can go to town each week. When work time comes we do not need to go to town. Our forefathers got along fine and they did not go to town but once a year. We cannot work and stay in town at the same time. We get the habit of going to town and we simply cannot quit it. Any farmer who will keep a record of his time will soon see that he is wasting entirely too much of it. We need to know exactly how we are spending our time and it would not be very much trouble for us to keep such a record. Let's all resolve to use all our time until we get able to waste some of it. Let's all resolve to be fair to our families with our labor and time.

* * * * *

There are thousands of good women in this section who need to put up a large piece of pasteboard on the back porch and record on that board the number of hours the husband works at home, the number of hours he is away from home on business and the number of hours he is away from home for some reason other than needful business. If you will put up such a chart and keep it up to date you will either put your husband to work or he will quit you. No sensible man will allow a record to be kept under his nose which shows that he is loafing most of his time while his wife and children are in need of the necessities of life. There are thousands of men in this section who are wasting more than half their time while their families are in need. A good chart properly kept by the wife will show the truth about this matter and should put many men to work. How about trying it on your husband? It might bring peace and plenty into a poor home.

* * * * *

Some months ago I offered to plan and cultivate a one-horse farm in these articles, giving you in detail what I did and when I did it. The response was not very encouraging at first but I am still receiving a few requests that I do this. There is one thing that I cannot understand about the matter and that is I have more requests from other sections of the State than I do from Southeast Alabama. I have many requests from other States, but from folks who formerly lived in this section. I have decided to undertake this job, but I want you to cooperate with me and help me out from time to time. If you have any tried out plans or ideas which the public should know about I want you to write and tell me about them. I'm trying to render a service to my fellow man and I need your assistance all the time. In giving you my methods and plans of farming this crop I want you to understand that I'm not going to give you a single untried idea or plan. I shall not speculate or experiment but shall give you tried and proven plans of doing these various farm jobs. If any of you wish to write me and give me some new ideas, be sure to give us something that you have proven and something which you know will succeed as recommended. I would also like to say that all my plans are suitable to the average one-horse farmer in Southeast Alabama. Nothing expensive will be suggested. My plan will be a poor man's plan and any farmer can follow it if he is willing to use his brains and his hands at the same time. If you are not willing to follow all the way thru, then I would suggest that you do not start but I do feel that I might help the farmer who is down if he will follow these tested and proven plans of farming. I shall also be glad to hear from those who are following my plans and will try to write you a personal letter about anything that you do not understand, provided I cannot answer it in this column.

* * * * *

The farmer who tries to follow my plans must make a few new resolutions, as he cannot go thru on his old plans of living. In the first place, I want you to resolve to work and to work hard all the year. In the second place, I want you to agree to use your brain just as much as you do your hands and back. The farmer who does not think cannot even hope to make a success. In the third place, I want you to agree to economize and save in everything, including your time, money, fertilizer, feed and sleep. The farmer who is down so low that his wife and children cannot have the ordinary good things which others are having can well afford to make and keep most any kind of a resolution. Are you willing to proceed?

* * * * *

The first thing for any farmer to do is to supply himself with the necessary amount or number of cows, hogs and chickens. His next move is to see to it that his garden is properly located, prepared and planted. After these things have been done it is time to cast about and attend to other matters. We should sit down with our family and discuss the entire set-up and purposes of our farm work. Before we begin to build a house we must know exactly what kind of a house we are to build, and likewise, before we begin a crop we must know exactly what we expect to produce. In deciding on what we are to produce we must ascertain exactly what we are going to need and then plant our crops to meet the need. The first thing for us to consider is the food for our family. There are certain things which we know we are going to need and we must prepare to grow or produce each and every item we expect to use. Next comes the animal and poultry feed. We can easily figure out exactly what we will need for our cows, hogs, mules and chickens and, of course, we must prepare our lands and make our plans to produce every pound of such crops as we shall need. The farmer who buys feed stuff of any kind is not a good farmer in the true sense of the word farmer. We must produce it all at home if we are to prosper on the farm. We should not only produce all of our feed crops but we should have some to spare as we are liable to fall short on some crop by reason of a drouth or excessive rains. If we are short on one crop and long on another we can get by all right. No farmer should plan to grow a money crop until after he has planned his food and feed crops. After we have planned our food and feed crops we should divide the remainder of our land up and plant same in money crops, according to the nature of the land to be planted. The safest plan is to have as many money crops as you can that will pay. It never pays us to depend on just one money crop. I would suggest that you plant some cotton, some Spanish peanuts and some running peanuts. If your land is too sandy to make peanuts, then I suggest that you plan to plant a good variety of field peas. You can make money growing peas if you will plant them on the sandiest soil you have and plant them at a time such that they will mature to suit your convenience in gathering them. Next week I shall give you detailed plans of my one-horse farm, exactly what I figure I shall need, what I shall plant and where I shall plant it. Suppose you make up a list for yourself and have it ready to compare with mine. Try your hand on getting a list which will fit with the one I give. Here is hoping that we shall all make a good crop.

J. F. KENDRICK, FORMER COFFEE COUNTIAN, DIES

FLORALA, Dec. 27.—After an illness due to age and its infirmities, John Fox Kendrick, a citizen of Florala for more than twenty-five years, passed away in the peaceful quiet of his home in South Florala at 9:15 Wednesday morning, surrounded by a loving wife and several of his children, who were expectant of the sad end.

Mr. Kendrick was 79 years of age, born in North Carolina, his father settling in Coffee County, Alabama, when he was only a small boy. From Coffee County Mr. Kendrick came to Florala about a quarter of a century ago.

The deceased was a member of the Baptist Church, where his funeral will be preached at two o'clock this afternoon, Rev. R. T. McLeod officiating. He was also a member of Fidelity Lodge No. 685, A. F. and A. M., from which he will be given a Masonic burial in Greenwood cemetery immediately following the funeral services at the church.

Perhaps no citizen of Florala ever enjoyed a higher respect from his fellow townsmen than did Bro. John Fox Kendrick, whose unflexible honesty and uprightness of character ever commanded the admiration and confidence of his fellowmen.

He is survived by his widow, Mrs. J. F. Kendrick, and twelve sons and daughters, all of whom were here at the time of his death except two daughters, Mrs. W. H. Swann of Youngstown, N. Y., and Mrs. J. H. Hanchey of Orlando, Florida.

The sons and daughters surviving are: J. D. Kendrick, T. W. Kendrick and Mrs. W. B. Kelly of Noma, Fla., Mrs. R. O. Jones, Piny, Fla.; Mrs. J. Will Brown, St. Andrews Bay, Fla.; Mrs. W. H. Swann, Youngstown, N. Y.; Mrs. J. H. Hanchey, Orlando, Fla.; T. D. Kendrick of Florala; Mrs. J. H. Wall, Huntsville; Mrs. H. G. Spurlock, Birmingham; J. Q. Kendrick, Mobile; and Wilson Kendrick, of Florala.

Interment was made in Greenwood cemetery under the Masonic ceremonies this afternoon.

The news of Mr. Kendrick's death was received with saddened hearts by many Elbians, he having been well known here and in Coffee County generally.

AEROTYPE CROWN ETHYL GASOLINE ANNOUNCED TODAY

Standard Oil Company introduces last word in motor fuel

Announcement is made here today that there is now available at all Standard Oil Company dealers and service stations, Aerotype Crown Ethyl, the last word in motor gasoline. This is a new gasoline, a great improvement on the well known Crown Ethyl gasoline, but will be sold at the regular Ethyl price.

In his announcement of the introduction of Aerotype Crown Ethyl President W. E. Smith, of the Standard Oil Company, at Louisville, writes:

"Through our thousands of dealers and service stations in this state, we are offering Aerotype Crown Ethyl, the very last word in gasoline.

"It will be sold at the regular Ethyl price. Aerotype Crown Ethyl has been perfected for the express purpose of starting more quickly, warming up the motor more rapidly, vaporizing more completely, and with the absolute elimination of all knocking, and with an increase of 30% in potential power.

"For the first time, in Aerotype Crown Ethyl, a true aviation gasoline has been converted into automobile use.

"The Standard Oil Company is proud to offer, with its best wishes for the New Year, a new product—Aerotype Crown Ethyl."

Cecil Watkins, Son of Former Sheriff, Killed In Auto Wreck Near Dothan Monday

DOTHAN, Ala., Jan. 15.—Cecil Watkins, 26, Enterprise motion picture operator, was killed and Cecil James, 24, also of Enterprise, was injured last night when their automobile failed to make a curve on W. Woodland Drive and crashed into a tree.

Watkins, driver of the car, was extricated from the wreckage by passersby who helped place him into an ambulance. He died en route to a hospital, where an examination showed he suffered a broken neck and leg.

James suffered minor bruises and lacerations and after receiving first aid treatment at the hospital was released. Death of Watkins was the fifth resulting from traffic accidents this year, and the second in three days, Bernard Todd, 18, having been fatally injured Friday night when the car in which he was a passenger caromed into a light pole on W. Main street.

Watkins and James were en route to Hartford. The automobile was virtually demolished, most of the top being sheared from the body. Watkins was pinned to his seat as the top splintered.

Watkins is survived by his wife, the former Miss Sarah Nell Boyette; his parents, and a brother, the latter of New York. Funeral arrangements have not been completed pending the arrival of his brother.

Cleatrice Moore, eleven-year-old daughter of Mr. and Mrs. Robert Moore, well known residents of the Lee school community, passed away Monday night at the Enterprise hospital. It is said that the little girl had suffered an attack of appendicitis and was ill at her home several days last week. Finally it was decided to carry her to the hospital, but she died before an operation was performed.

Besides her parents five brothers and three sisters survive. Funeral services were conducted at Zion Chapel Church at 2:00 o'clock Tuesday afternoon by Rev. B. S. Franklin and Jas. C. Dixon. Interment was in the church cemetery. Active pallbearers were Joe Dudd McCollough, Prescott Smith, Fountain Edward Lee, Alvie Dyess, Leroy Bowden and Fay Bowden. Elba Funeral Home was in charge of funeral arrangements.

MRS. BETTIE DISMUKE

Mrs. Bettie Dismuke passed away at the county home last Thursday afternoon after a short illness. General infirmities of old age are said to have been the cause of her death. Mrs. Dismuke was 93 years of age and was a member of the Baptist Church.

She was the wife of George Dismuke and is also survived by one son and one daughter. The body was removed to Chestnut Grove, where funeral services were conducted by Rev. W. M. Bush. Burial was in the church cemetery with Elba Funeral Home in charge.

Mrs. Willie Michel and Mrs. Walter Jackson and baby are visiting Mr. and Mrs. J. O. Rowe in Selma.

NEW COUNTY OFFICIALS INDUCTED INTO OFFICE

Coffee County officials elected to new terms formally took over the duties of their offices Monday, and others who were reelected have entered upon new terms.

Only two new officers appear in the list for the county, these being John W. Brock, Circuit Clerk, who succeeds L. B. Clark, and Otis F. Lightner, Sheriff, who succeeds W. B. Paul. Mr. Brock has named Miss Sarah McDowell of New Brockton as his assistant in the Elba office and Miss Winnie Grubbs will be assistant in the Enterprise office. Sheriff Lightner has chosen J. N. Livings and W. B. Paul for his deputies.

Judge J. A. Carnley enters upon his third six-year term as Probate Judge. Tax Collector A. J. Morrow and Tax Assessor W. H. Edmonds will continue through the present tax year before their new terms begin. Messrs. E. Carl Brooks and J. O. English, who were reelected members of the County Board of Education, have already begun their new terms.

With only two new officials taking over offices, the beginning of the new term does not bring about many changes in office personnel, and citizens who have business in the various county offices will find practically the same courteous and accommodating assistants who have been in the offices for the past several years.

MISS RUBY SPURLIN HOSTESS TO Y. W. A.—

The Young Women's Association held a meeting Monday evening at the home of Miss Ruby Spurlin. The president, Miss Marguerite Franklin, presided over a business session. The chairman of the program committee, Miss Lura Johnson, announced the program.

Devotional was conducted by Miss Marguerite Franklin, with prayer by Miss Alpha Jernigan. "Rethinking Alcohol" was given by Miss Myrtle Farris. "Rethinking Alcohol With Science" was given by Miss Ruby Spurlin. Hymn, "O Zion Haste," was sung in unison. "Rethinking Alcohol With Youth" was given by Miss Evelyn Johnson. "A Way to A Happy New Year" was given by Miss Lura Johnson. A Poem, "More Than These," was given by Miss Mattie Maud Spurlin. "The Palestine I Saw" was related by Miss Anne Morgan Windham. An impressive talk on "Liquor" was made by Mrs. Franklin.

Personal service was recorded by the personal service chairman, Miss Myrtle Farris. The program was concluded with prayer by Mrs. Franklin, followed by the watchword in unison.

Diversion for the evening was musical selections. A piano solo was rendered by Miss Marguerite Franklin. Afterwards, Miss Franklin acted as accompanist while the Association sang a number of popular songs. Delightful refreshments were served by the hostess, she being assisted by Miss Evelyn Johnson.—Reporter.

Veal were hostesses for the afternoon. The business session was in charge of Mrs. George Collier, class president. A number of games and contests were diversions. During the social hour delicious sandwiches and hot coffee were served the twenty-five guests who attended.

About People and Things

By C. B. McDowell

CLUB ORGANIZED — Seven members of the Elba Business Men's Evangelistic Club, W. T. Whitman, Dr. W. M. Ringsdorf, N. G. Tillman, Luther Vaughan, Forest Talbot, Prof. J. W. Mayfield and C. B. McDowell, went to Kinston Sunday afternoon and assisted in organizing a club there. A mass meeting was held at the Kinston Baptist Church, with a large assemblage of men and a number of ladies present. After an impressive song and devotional service, Prof. Mayfield read a scripture lesson, followed by personal testimonials by members of the Elba club. The objects and general workings of the club movement were explained. A number of the Kinston men responded to an invitation to express their views and all were heartily in favor of organizing a club in Kinston.

At the suggestion of D. E. Forlines, 26 men took their places in the front central pews, thereby signifying their wish to become members. D. E. Forlines was unanimously elected president, L. A. Rainey was the unanimous choice for vice-president and R. E. Williams had no opposition for the office of secretary-treasurer. It was decided to meet each Thursday night, the first meeting to be held at the Methodist Church and then alternating between the two churches.

The Elba Club has assisted in organizing a number of clubs, but in no other place has such keen interest and unanimity of purpose been manifested as was shown by those 26 men at Kinston Sunday afternoon. The Elba club members accepted an invitation to visit the Kinston club on Thursday night, February 14.

STILL WINNING—Coach H. B. Larkins' fast-stepping basketeers are continuing their winning ways. They defeated the Ozark High School quintet on the Kinston court last Friday night by a score of 20 to 12.

GOOD NEWS—The numerous friends of Mrs. R. W. Jones are happy to hear that reports from the Montgomery hospital where she underwent a major operation last Thursday say that she is getting along better than the doctors or her most optimistic friends had thought possible. She is now thought to be well on the road to recovery.

MOST DANGEROUS—Drayden Smith says the most dangerous part of an automobile is the nut at the wheel. Speaking of dangerous things, Mr. Smith relates a dangerous situation that a number of men got into Tuesday, right in front of his store. He says one of Young Rainer's and Dan Brooks' "gentle and well-broke" mules went "haywire" and by its kicking, pawing, biting, etc., tore about all the clothes off the man who was leading the hybrid. However, two expert mule wranglers from the Curtis community who were said to be as nearly intoxicated as persons ever get in West Elba, took charge of the situation, utterly ignoring all elements of peril. Strange to relate, the bucking "hard tail" immediately ceased his tantrums and again became the docile animal Messrs. Rainer and Brooks represented him to be.

HOOKWORM — Miss Ferrell Harper, county health nurse, announces that she will start her hookworm clinic next Monday morning. She will visit every school, white and colored, in Coffee County, and all teachers, patrons and pupils are requested to cooperate in every way possible. While hookworm is prevalent almost everywhere in the South and causes the infested victim untold suffering and annoyance, the pest is comparatively easy to combat and eradicate by modern methods. The hookworm eradication campaign is sponsored by the County Medical Association and everybody is urged to cooperate with Miss Harper.

BUS LINE—The committee appointed by the Elba Chamber of Commerce appeared before the Public Service Commission at Montgomery last Thursday in behalf of the Alaga Coach Lines, Inc. It is reported that the committee's contention that the present bus service from Dothan to Brewton via Elba should not be interfered with until some better service is assured, seemed to be favorably received by the Commission. Mr. Joe Lindsey's proposal to inaugurate a service from Dothan to Montgomery via Elba received little or no encouragement.

MUSIC CLUB ENTERTAINED AT DIXON HOME—

The High School Music Club was delightfully entertained by Adelle Dixon at her home on last Wednesday afternoon.

After a brief business meeting, Miss Annie Laurie Bullard gave an account of Bizet's opera, Carmen,' which was recently given in Montgomery by the San Carlo Opera Company.

Piano solos were played by Mary Ruth Fleming, Ruby Spurlin and Adelle Dixon. Sonny Inman and Annie Laurie Bullard played a duet. A trio was played by Catherine Brunson, Nell English and Sara Talbot. The program was closed with a duet by Mahlon Owen and Marguerite Franklin.

During the social hour the hostess served a delicious salad course with fruit cake and coffee.

Dr. and Mrs. H. P. Rankin of Cairo, Ga., visited relatives here over the week-end. Both were taken ill after arriving in Elba, but returned to Cairo Tuesday.

Mrs. Grady Rhodes and children visited Mrs. John Chancey in Enterprise last week.

Misses Lillian Rowe and Dixie Lee, teachers at Pine Level, spent the week-end with Elba relatives.

Mr. and Mrs. B. F. Williams of Luverne were guests of Mr. and Mrs. D. C. Marley Sunday.

OPP BANK MAKES SPLENDID STATEMENT FOR NEW YEAR

We are carrying a large advertisement for The First National Bank of Opp on the back page of this issue, in which this institution makes a splendid financial statement. In starting off the new year the bank's officials are justly proud of this splendid statement and they also point with pride to the policies of the institution which have enabled them to take care of their customers at all times.

METHODIST W. M. S. HELD FIRST MEETING OF YEAR—

The Woman's Missionary Society of the Methodist Church met at the church Monday afternoon for business, with full attendance. The meeting was opened with the song, "Saviour, Like A Shepherd Lead Me." Scripture reading was followed with prayer by Mrs. B. G. Smith. Mrs. D. C. Marley, president, outlined plans for the year's work and talked on duties of officers, pledges, budget, and appointed standing committees.

Next Sunday, January 20, is World Outlook Sunday and will be fittingly observed. Officers of the W. M. S. will also be installed, with the pastor in charge of installation service.

Next Monday the meeting will be held at the church at 3:15 with Mrs. Nell Cooper in charge of the Bible Study.

Delegates will be appointed at this meeting to represent the W. M. S. at the 24th annual conference, which meets in Union Springs February 19. The session will continue through February 20 and 21.

It is interesting to note that Union Springs has always "held open house" to the missionary women of the Conference. The Foreign Missionary Society held its annual meeting there in 1880, 1885 and 1904. The Home Missionary Society held its annual meeting there in 1909 and the United Missionary Societies held their annual meeting there in 1915.

A full attendance is urgently requested for Monday afternoon at 3:15 at the church.

MRS. MATTIE PEARL FARRIS DIES AFTER SHORT ILLNESS

Mrs. Mattie Pearl Farris, wife of Woodrow Farris, well known citizen of the Sand Hill community, Elba Route 3, passed away at the family home last Sunday after a short illness. Pneumonia and other complications are ascribed as the cause of her death.

Surviving are the husband, a small daughter and four sisters. Funeral services were conducted by Elder Jack Mitchell at Bethlehem Church on Monday afternoon. The body was laid to rest in the church cemetery. Bonneau-Jeter had charge of arrangements.

CHARLES CLARK HOST TO SUNBEAMS—

The Sunbeam Band held a meeting last Friday afternoon at the home of Charles Clark. Charles Clark, first vice-president, presided over the meeting. Devotional was conducted by Frances Armor Morrow, with prayer by Robert L. Whitman. Afterward an election was held and the following officers elected for the ensuing year:

President, Martha Frances Dowling; firse vice-president, Frances Armor Morrow; second vice-president, Katherine Mullins; third vice-president, Fred Harper, Jr.; secretary-treasurer, Robert L. Whitman; personal service chairman, Charles Clark; social chairman, Joan Clark; stewardship chairman, Jeanette Lubert;—tithing chairman, Ruth Windham.

After the election the program was continued. A talk, "Turning Over A New Leaf," was made by the counsellor, with illustrations by Martha Frances Dowling. A vocal duet was sung by Frances Armor Morrow and Katherine Mullins. A story, "Little New Year Promise," was related by the counsellor. The "Welcome Song" was sung by Jo Marjorie Henderson, Mary Oswell Dowling, Betty Clark, Frances Boutwell and Maragem Whitman. The program was concluded with the Sunbeam prayer, led by Frances Armor Morrow.

Katherine Mullins, Frances Armor Morrow and Fred Harper, Jr., gave readings during the social hour.—Reporter.

Louise and Jerry Hilliard of Pensacola, Fla., spent last week-end with her parents in Elba. Jerry will be transferred from the Air Station, Pensacola, to the East Coast at an early date. Louise will continue teaching at the Air Station until the middle of February, at which time she will go to meet her husband at their new home.

Rev. and Mrs. L. W. Tubb and little son have returned to Columbia after visiting relatives here. They were accompanied by little Miss Claudine Bryan, who will spend some time with them.

Colorful Ceremony Marks Inaugural Of State's 43rd Governor; 50,000 Look On

MONTGOMERY, Jan. 14.—A colorful inaugural crowd, estimated at fifty thousand, today heard Bibb Graves of Montgomery pledge his forthcoming administration to "human welfare" as he was sworn into office as Alabama's 43rd Governor.

The first man ever to serve two four-year terms as Chief Executive, he spoke to the crowd that packed the Capitol lawn in generalities, reserving for his new Legislature his announcement of the definite plans he has drafted in his recovery program for the State.

Only one step in his program was revealed—the step to ask the Legislature for broader powers in running the State government in order that his ambitious program might not be hindered by restricting laws.

"Alabamians," he began, "in the providence of God again it is given to me here to dedicate four years of my being to the service of our State.

"To that end I come a willing instrument in His hands, eager to do His will; asking that He give to me the vision to see the needs of Alabama's people; that He give to me the wisdom to use those powers of this people that they have put in my hands in the way that will best serve their needs; and that He continue to give to me the courage to do the needful.

"I ask for all our officers the whole-hearted support and cooperation of our citizenship.

"Personally, I pledge to these officers, State and local, a spirit of helpfulness in the discharge of our common duties.

"We all put God first. Let's put God's children right next to God; let's make human welfare our first concern.

"The last plank in our Democratic platform is one short sentence, but in it is the foundation, not only of our party platform, but the foundation of the New Deal—that New Deal which is the salvation of America and the hope of mankind.

"That foundation plank is in these words, 'We advocate the continuous responsibility of government for human welfare and especially the protection of children.'

"Human welfare is the fixed star that sets the course of America's 'Ship of State.' That ship's greatest captain, Franklin D. Roosevelt, with clear eye and firm hand, is keeping us steadfastly on that course and that course is the only sure way to peace and safety, to prosperity and happiness, at home and abroad.

"Alabama is a part of this convoy. Let's follow the lead of our Commander-in-Chief. Let's keep abreast of our sister States. Let's do our part and get our part in the whole New Deal program.

"Let's maintain the faith and honor of Alabama as becomes her majestic sovereignty.

"Let's stand four-square for the Constitution, for order and for law; for a firm, tolerant and orderly enforcement of all laws on all alike.

"One who is in favor of a rule of the people is a Democrat and not a demagogue.

"For a long time there has been a trend to take the powers of the government away from the people and put those powers in some far-off place or far-off hands, so far away that the average citizen can have no touch with them. Now let's get the consent of the people; those that are governed, on such things as liquor legislation. Let them say if they want to keep their old fee system. Let them say whether or not they want to have the power to recall their officers. Let them determine the kind of government they want for their counties and their cities. To put it in a nut-shell—'Let's let the people rule.'

"God has not anywhere put more human or more material resources into the keeping of His servants than He has entrusted to us here in Alabama. Let us be profitable servants and use them and conserve them and develop them. Let us use them for ourselves and for all of America. We are all one whole. Anything that helps any part helps all. Anything that hurts any part hurts all. We must have a spirit of 'One for all and all for one.'

"We need help to use these resources. No Macedonian cry to come over and help us will avail, if we do not treat those who are now here as we should. If we be true to our own, fair to our own, we will make the best call to others to come and be one of us.

"Let us strive to tear down nothing that is good; rather let us try to build up, construct and go forward.

"Let us give the world the benefit of the use of the things that are here that the world needs and we will enjoy the blessing of the profitable servant. We will have more abundance and we will enter into the joy of our Lord.

"I believe that I vision with some clearness the situation of our State today. I know that I have some familiarity with the history of her past. If I see aright, there has never been so great a responsibility upon the incoming Governor of Alabama as is mine today.

"With a full sense of the gravity of that responsibility and with the courage to assume it, I shall ask for the authority that will be necessary to enable me to meet all that responsibility. These matters I shall take up first with the Legislature which jointly shares with me that responsibility for the welfare of Alabama.

"Without feeling or fearing any hatred, free and untrammelled, and without prejudice against or bias for any person or thing, or any sect or class, and believing that despite the clouds upon the horizon of today, that God so made His world that when we face His sunshine He puts all the shadows behind.

"I repeat that prayer that I uttered here on a like occasion eight years ago, the prayer that was so abundantly answered.

"'In all humility and devotion I pray that God continue to give me the good will of the mass of the people, the generous confidence and harmonious, whole-hearted cooperation of our Legislature, the aid and comfort of my life-mate, and to make me worthy of all of these things.'

"And now, Mr. Chief Justice, I take the oath, fervently praying that when I return to this place four years hence, having finished my course, I will have fought the good fight and kept the faith."

As Graves spoke these final words, he was standing on the spot where Jefferson Davis, only President of the Confederacy, stood 73 years ago to take his oath of office. During the greatest part of his address, he stood at the front of the large wooden inaugural platform that the massed crowds might hear his words clearly, leaving to walk back onto the Capitol portico only for the oath of office.

F. H. A. MEETING

The New Brockton F. H. A. chapter held its monthly meeting Wednesday night, January 9th. Only a few members were absent.

The president, Johnnie Grace Marsh, presided. Roll was called and minutes read by the secretary, Willie Mac Golson. The treasurer, Julia Wise, reported on the chapter's financial condition. Other important business matters were also attended to at this time.

The theme for the evening was vacationing. Two talks were given as follows: "From Boston to Los Angeles via Motor Car," by Willie Mac Golson, and "Vacationing at Home," Madge Grimes.

LIBERTY NEWS

January 8, 1935.

Dear Editor:—

Here we are with a brand new year and no one can tell what it will bring forth, but we wish everyone a happy and prosperous new year. Now to start with let's try to make everyone about us happy by doing them a kind deed. Just call to see one that has been shut in for many months. They do not live so far away—just stop and think where they are. Oh, how we neglect them and forget them! And they long for us to call and bring them a smile, which is the most beautiful of all flowers.

We sure have had a fine Christmas—so many nice presents and every one was so happy. Santa was in Opp on Saturday morning before Christmas. On his arrival everything seemed kinder dull but just the thought of Santa put new life in everything. On Christmas Eve Santa made his way into Elba, and such a time you never saw. It was a real treat to see how happy it made the children to see their friend Santa, for whom they had been waiting so long to see. On Christmas morning Santa got out in the sticks and went into many homes. It is a great pleasure to visit the boys and girls on Christmas Day, you hear the joy bells ringing in every direction. I must tell you of the many nice Christmas cards we received—some from Atlanta, Ga., some from Columbus, Ga., one from Elba and one from our friend, Mrs. Della Smith, of Springdale, Ark. It just made our heart bubble with joy for so many to remember us.

Now we must turn to the sadder side of life—the sick ones, and there are so many of them. And many passed away before the dawn of Christmas morning. Some of our dear friends were laid away on Christmas Eve morning. We are so sad for those who have lost their dear ones.

The new year will bring many changes, you will perhaps have a lot of new neighbors. Mr. O. C. Smith is moving to Smith Brothers place near Pine Level. We do not know where Mr. Grover Thurman will go yet, his many friends will miss him. We will be glad to have Mr. Smith and family. Mr. Henry Hamilton will move and we regret to see them go. Mr. Gus Parrish is moving to the Bud Danley place near Opp. He has a fine family of eight girls and two boys and we will miss them very much. Mr. Esmer Eiland will take their place. He also has a large family of six boys and four girls. Mrs. W. D. Foley has moved to the Henry Moody place.

On December 16th, Mrs. George Boland and son, Frances, and wife, Mrs. Rosa B. Clegg, Miss Ethel Player and Miss Virgie Mae Foley of Columbus, Ga., spent the day with Mr. and Mrs. H. I. Boland. Sunday morning Mr. J. S. Boland and son, Joseph, and daughters, Susie and Virginia, of Montgomery, came by and the writer and Mrs. Boland accompanied them to Opp, where we dined with Mrs. H. B. Morgan, who gave her father, J. C. Boland, a birthday dinner, it being his seventy-first birthday. Brother was quite feeble but seemed to enjoy the visit of his nephew very much. Elba people will remember Miss Susie Boland, who was with the Red Cross there during the flood. Mr. Boland and children returned home Tuesday evening.

Our new preacher was with us Sunday morning at eleven o'clock and at night. We all like him very much. He is a real good speaker and seems to want to work. He could not have been sent to a field where there is greater need for work.

Will close by saying that we enjoy The Clipper very much. I almost forgot to ask if those fine boys and girls got home for the holidays? Our son, J. W. Boland, and wife spent two nights and one day with us and I can't tell you how glad we were to see them.

H. I. BOLAND.

When it comes to feeding . . .

YOUR CHILDREN AND YOUR CROPS

are pretty much alike!

● Strange as it may seem, your own children and your own crops aren't so different. When a child eats too large a proportion of artificially refined foods, there is danger of lack in vitamin B, so essential to growth and health. If he doesn't get vitamin A, he "catches" infectious diseases. Too little vitamin C, and other diseases result.

And with your crops, the so-called impurities are like vitamins for children—absolutely necessary to healthy growth and normal development.

Chilean Natural Nitrate supplies the vital impurities—in Nature's own balance and proportion. Calcium, iodine, strontium, boron, potassium, sodium, lithium—they're all there, to make your crops healthy and profitable.

Protect yourself by saying "Chilean" when you order your nitrate. Two kinds—Champion (granulated) and Old Style. Both are genuine. Both are Chilean, and both have the vital impurities.

WEAK AND SKINNY MEN, WOMEN AND CHILDREN

Saved by new Vitamins of Cod Liver Oil in tasteless tablets.

Pounds of firm healthy flesh instead of bare scraggy bones! New vigor, vim and energy instead of tired listlessness! Steady, quiet nerves! That is what thousands of people are getting through scientists' latest discovery—the Vitamins of Cod Liver Oil concentrated in little sugar coated tablets without any of its horrid, fishy taste or smell.

McCoy's Cod Liver Oil Tablets, they're called! "Cod Liver Oil in Tablets", and they simply work wonders. A little boy of 3, seriously sick, got well and gained 10½ lbs. in just one month. A girl of thirteen after the same disease, gained 3 lbs. the first week and 2 lbs. each week after. A young mother who could not eat or sleep after baby came got all her health back and gained 10 lbs. in less than a month.

You simply must try McCoy's at once. Remember if you don't gain at least 5 lbs. of firm healthy flesh in a month get your money back. Demand and get McCoy's—the original and genuine Cod Liver Oil Tablets—approved by Good Housekeeping Institute. Refuse all substitutes—insist on the original McCoy's—there are none better.

Bilious Attacks

For bilious attacks due to constipation, thousands of men and women take Thedford's Black-Draught because it is purely vegetable and brings prompt, refreshing relief. "I have used Black-Draught," writes Mr. T. L. Austin, of McAdenville, N. C. "There is a package of it on my mantel now. I take it for biliousness. If I did not take it, the dullness and headache would put me out of business. It is the quickest medicine to relieve me that I know."

TO OUR FRIENDS and CUSTOMERS

In our advertisement of one year ago, our Bank took the position that this section of the country was definitely on the road to better conditions and reasonable prosperity and we want to repeat what we said in that advertisement.

We take pleasure in calling your attention to the statement of this Bank appearing below and especially call your attention to the strong cash position of this institution.

The success of this Bank is due primarily to the loyalty and good will of our customers and we want to express to each one of them our sincere thanks for their past friendship and to wish for them a Happy and Prosperous New Year of 1935.

The aims and purposes of this Bank in the future, as in the past, will be four-fold and we beg to state these aims in the order of their importance:

FIRST	It will be our purpose to render the best banking service to our customers that it is possible for us to render, taking into consideration safe and sane banking methods.
SECOND	It will be our continued aim to work and to use the entire resources of this Bank for the upbuilding of this Section.
THIRD	It will be our continued aim to work and use the resources of this Bank for the upbuilding of the City of Opp.
FOURTH	It will be our purpose to endeavor to so handle the resources of this Bank that a reasonable profit will accrue to the stockholders of this Bank.

It is well to bear in mind that any Bank can and will lend money during good times, but what of their attitude when conditions are bad and you are in need of financial help?

It is the part of wisdom for every individual, firm and corporation to do their banking business with a bank that is not only safe and conservative, but one that is strong and progressive and that is willing, even under adverse conditions, to lend its money and credit to its customers, provided the loan is amply secured, and we claim that our Bank is this kind of a Bank.

We Will Appreciate Your Business.

Prohibition Referendum Bill Passes; Election On Feb. 26; Graves' Measures Enacted

MONTGOMERY, Jan. 23.—The Alabama Senate Tuesday afternoon by a vote of 29 to 3 passed the House bill calling an election on February 26 to allow the voters of Alabama to determine whether or not the Legislature of Alabama should modify the statewide prohibition laws.

The referendum election proposal met opposition from the start from Senator Miller Bonner of Wilcox. Senator Bonner made several attempts to amend the bill but in every case they were unsuccessful. Those who favored the House referendum bill, generally regarded as a fair bill by both wets and drys, number 18 on only two occasions and on other votes there were from 26 to 29 who favored the House bill as against the Bonner amendments.

The referendum bill was the third piece of administration legislation enacted by the Legislature during the day. The Senate previously had passed a House bill providing for the consolidation of the offices of the State Fire Marshal and the State Insurance Commissioner and increasing from one to three the members of the State Highway Commission.

A State pension bill providing for payment of not more than $30 a month to persons over 65 years of age was introduced by Senator James A. Simpson of Birmingham. The State would defray one-third of the cost of such pensions which would be under the supervision of the county governing boards.

The rapidity of the passage of the Governor's bills was almost without precedent in State history and was completed in the absolute minimum of legislative days—five.

Other bills shot through the Senate yesterday included those:

To exempt the Tennessee Valley Authority from State regulation in its utility operations. (unanimous—30 ayes.)

To give the Governor power to discharge any appointive executive officer without cause. (20 to 1—Frazer "no.")

To consolidate the office of fire marshal with that of insurance superintendent. (29 to 0.)

To reorganize the Highway Department into a three-man commission. (25 to 4—Frazer, Russell, Tucker and Simpson "no.")

The house-amended liquor law bill was not changed in any section by the Senate, leaving the following three questions on the referendum ballot:

1. Shall Alabama's laws against prohibited liquors be modified? (Modified submitted for retained by the House.)
2. Shall Alabama legalize light wines and beer? (Originally as drawn by administration.)
3. Shall Alabama legalize hard liquors "under strict State regulation but under no condition any saloons?" (Original question made no reference to regulation or saloons.)

165 FAMILIES HAVE RENTED LAND UNDER REHABILITAT'N

By A. W. HOBART
Director, Coffee County Relief Administration

The Rural Rehabilitation Program proceeds apace in Coffee County. To date, 165 have secured land, made their arrangements with their landlords and had their budgets sent to Montgomery for final approval. Each day, these final approvals are coming back. There are still approximately one hundred Group One cases to be placed. If land can be found for these, Coffee County will be second to none in the State in the completeness with which the rural citizens have been included in the Rehabilitation Program.

Great emphasis is being placed on gardens in this program. It is felt that a family can to a large extent feed itself from this source, and thus reduce the amount of subsistence that would be necessary without a garden. Farm Foremen are being instructed to stress the garden and Visitors are also keeping an eye on this important source of food. Gardens can be used to produce food most of the year, and it will be seen to that the gardens of Rural Sumscribers do so. The State Department of Education is providing the service of its Farm and Home Economics teachers who will work with the Farm Foremen and Visitors in raising the standards of those in the Rehabilitation Program. This instruction will be extremely practical, being aimed at showing these families how to live within a small budget to the best possible advantage.

ONLY SEVEN DAYS LEFT IN WHICH TO PAY POLL TAX

Friday, February 1, just seven days from now, is the last day on which you can pay your poll tax. Indications are that there will be several very important questions to come before the voters of the State this year, and unless you pay your poll tax on or before February 1, you will not be able to express yourself. A referendum on the liquor question will be put before the voters within the next few weeks, perhaps the latter part of February. Every citizen of the county should be in position to go to the polls and cast his ballot on this very important question. It makes no difference how you stand on the matter, you will not be able to vote your wishes unless you have a poll tax receipt. Later in the year other matters will no doubt be brought before the voters of the county and State. Don't forget your poll tax.

YOUNG-TAYLOR

Of cordial interest to their many friends was the marriage of Miss Ineze Young to Mr. Royce Taylor, which was solemnized on January 14th at six o'clock at the home of Mr. and Mrs. J. C. Dixon. Mr. Dixon performed the ceremony in the presence of close relatives and intimate friends.

The vows were taken in the living room, where an improvised altar was formed of ferns and potted plants, interspersed with baskets of paper white Narcissus. Preceding the ceremony, Miss Madge Page sang "I Love You Truly," accompanied at the piano by Miss Annie Laurie Bullard, who also played the wedding march.

The bride was becomingly gowned in a lovely spring model with matching accessories. She is the daughter of Mr. and Mrs. L. F. Young of Curtis and a popular member of the graduating class of Elba High School 1934. Mr. Taylor, also an Elba High School graduate, is the son of Mr. and Mrs. P. B. Taylor. He now holds a responsible position with the Douglas Grocery Company of Orlando, Florida.

The happy couple left for a short wedding trip, later returning to Elba for a visit to relatives. On Thursday Mr. and Mrs. Taylor went to Orlando, where they will reside in the future.

Mr. and Mrs. L. F. Young entertained with a six o'clock dinner Tuesday, January 15th, honoring Mr. and Mrs. Taylor. Guests included relatives and several friends.

Different types of recreation were diversions. During the social hour delicious cake and coffee were served to the twelve guests who attended.—Reporter.

Mr. and Mrs. J. J. Farris of Montgomery were week-end visitors to Elba.

Mr. and Mrs. Rowe Watson, Prof. H. T. Grace, Prof. J. C. Dixon and Miss Adelle Dixon were visitors to Montgomery Monday.

Rudolph Bonneau, who has been residing in Beaudette, Minnesota, for the past year, has returned to Elba to make his home.

GOING STRONG—It would seem as though the new Kinston Business Men's Evangelistic Club, organized Sunday, Jan. 13, is getting off to a fine start and going strong. Following is an excerpt from a letter received from Prof. H. B. Larkins: "I thought I would tell you a few things about our club. We met last Thursday night at the Methodist Church with 27 present, one more than when we organized. The entire club seems to be very enthusiastic over it, and everybody in town is talking about it. We are meeting at the Baptist Church next Thursday night at 7 o'clock."

VINDICATED—Dr. W. M. Ringsdorf and Forest Talbot have made good their promise to inaugurate an investigation as to the possibilities of manufacturing starch from sweet potatoes, as is being tried out at Laurel, Miss., under Government experiment. A. C. L. Agent Almon Strain came to the rescue of Dr. Ringsdorf and Mr. Talbot and at his request, the Coast Line Company has furnished them with an exhaustive lot of data concerning the Laurel experiments. While the operations at Laurel, under Government supervision, have proved quite satisfactory, the industry is still in the experimental stage and will require more time before definite conclusions can be made. The Government is planning to furnish capital for several sweet potato starch plants at strategic points as soon as practicable plans can be perfected. The Coast Line Company expresses its willingness to lend all possible support to such a proposition, and it may be that Elba can obtain one of these plants if the necessary effort is made by our Chamber of Commerce and other public-minded citizens. Anyhow, Doc. and Forest have vindicated themselves and have also enabled me to uphold my reputation as a reliable announcer of public matters.

NEW INDUSTRY—Elba has another new industry—a mattress factory. J. H. Dyess has erected a building on his property at the forks of the Troy-Brantley highways and equipped it with machinery for manufacturing and renovating mattresses and beds of all kinds. J. N. Livings, Jr., an experienced mattress man, has charge of the mechanical part of the business and Miss Maggie Butts, who has been connected with an Opp mattress factory, is soliciting business for the new concern. The Elba Mattress Works is the name of the new concern.

ENJOYS COLUMN—When Mr. and Mrs. W. T. Whitman and Mrs. L. L. Farris were on their way back home from Anniston, where they attended the State Baptist Sunday School convention, Mr. Whitman says he discovered, when they arrived in Montgomery Friday evening, that he had a little money left. As he never makes a practice of bringing any money home from a trip, the party decided to go to a swell cafe for supper. The first person they saw upon entering the cafe, according to Mr. Whitman, was our old friend, Lloyd Wilson, who "almost broke his neck" in his hurry to get to them. Walter says Lloyd still likes his job as railway mail clerk, with headquarters in New Orleans, and that he sent his best regards to his friends in Elba and sent special word to me, expressing his enjoyment in reading The Clipper "About People and Things" column.

JUDGE CARNLEY CHAIRMAN OF LEGISLATIVE COMMITTEE

Judge J. A. Carnley went to Montgomery Tuesday to attend a very important committee meeting. Recently he was made chairman of the legislative committee of the Association of Probate Judges and County Commissioners. This committee will have an enormous amount of work to do during the sessions of the Legislature, keeping track of bills introduced which will in any way affect county government and county governing bodies.

This committee is very important and county officials all over the State are looking to it for protection of county interests. Some lively scraps on bills will no doubt be waged during this session. Later in the week this committee will attend a hearing on a bill now before the Senate, on which a fight is already being made. The bill in question would establish a uniform accounting system for all counties of the State and county officials as well as many other organizations in the State want some amendments to the bill, as the original measure takes out of the hands of county officers the right to buy their own records, blanks and other supplies.

Judge Carnley's assignment is no small thing and these matters could not have been placed in more competent hands.

The Agent is informed that the final administrative rulings and regulations on the 1935 Acreage Reduction Program will be available in the near future. The program will get underway in the County soon after these regulations are received.

Before the actual work in the county can be started it will be necessary to organize the Cotton Production Control Association. The regulations governing the organization of this association are as follows:

"The County Agent shall designate an appropriate number of cotton - producing communities within the county upon the basis of the number of producer units on which cotton production was reported in applications for allotment and Tax-Exemption Certificates. There shall be one community committee consisting of three members. The Association shall have one county committee which shall consist of three members."

"The County Committeemen for 1935 shall be elected in each community by a majority vote of such members as are present and eligible to vote at a meeting called by the County Agent. Only members of the Association shall be entitled to vote. At such meetings there shall also be elected an alternate to serve in case of the absence or inability to serve of a regular committeeman.
